

**National Telecommunications Regulatory Commission
(NTRC)**

**Procurement Notice
12th August 2011**

Universal Service Fund Project

**Invitation for Bids to provide
Broadband Telecommunications Services to remote / underserved locations via the
establishment of Telecommunications Transmission Infrastructure**

1. The National Telecommunications Regulatory Commission (NTRC) invites sealed bids from licenced telecommunications providers for the establishment of Telecommunications Transmission Infrastructure to enable the provision of broadband telecommunications service to remote / underserved locations of Grenada. The NTRC has received funding in the form of Universal Service Fund Contributions towards the cost of the “Universal Service Fund Project” and intends to apply a part of the proceeds toward the Universal Service Fund Project.
2. Bidding will be conducted through competitive bidding procedures in a manner consistent with fair competitive, international best practices and existing sector policies such as the Universal Service Fund Regulations and Guidelines.
3. Interested eligible bidders may obtain further information, and inspect the bidding document, at the National Telecommunications Regulatory Commission Grenada at the addresses below Mondays to Friday from 8:30 am to 4:00 pm. Interested eligible bidders must register with the NTRC to receive Request For Proposals by providing the names, designations and contact information of their representatives who should be contacted on matters relating to these documents and forwarding a request via email to bidtingntrc@ectel.int.
4. All bids must be delivered to the National Telecommunications Regulatory Commission at the address below by 10:00 am on September 29th 2011. Late bids will be rejected.
