Telephone (473) 232- 3569

Service: **Broadband**

Turbo 20 Plan -20 Mbps Download - 1Mbps Upload Current Price \$135.00 Proposed Price \$ 149.00

Reason for Review

To determine whether prices being charged are in compliance with Regulations 6-9 of the Retail Tariff Regulations as outlined above, namely:

Regulations 6- that the Tariffs meet minimum conditions

Regulation 7- that the tariffs are not unreasonable

Regulation 8 – that the tariffs do not amount to anti-competitive conduct.

Regulation 9 – any contracts contain minimum terms.

Most importantly that the tariffs for Broadband Services are fair and reasonable in accordance with regulation 6(2)(a) and under regulation 7(1)(d) that the tariff is not fair and reasonable, as it represents an increase for a rate that, having regard to the nature of the service, is likely to have a significant impact on customers in Grenada.
